THE DIVINE LIFE
The Pioneer Magazine of the Sixth Race

Whose Invisible Editor is the Conqueror on the white horse—the new Initiate in his solar body.

The Conqueror—to him I shall award to eat (the fruit) of the tree of life which is in the middle of the Garden of the God.

The award to the **Conqueror**, is the Eternal Memory: he shall eat the fruit of the tree of life (the fruitage of the life cycle) in the God's own abiding place, the mystical paradise or state of ineffable bliss.

The award to the **Conqueror** is conscious Immortality; he is to wear the crown of life, and nothing that originates in the soul-consciousness shall pass into the oblivion of the second death.

The Conqueror—to him I shall award to eat a share of the hidden manna and I shall award to him a white voting-pebble, and on the voting pebble (will be) a new name engraved, which no one knows but he who receives it.

The Conqueror—he shall be clothed in white garments, and I shall not at all erase his name from the book of life, but I shall acknowledge his name before my Father and before his Divinities.

The Conqueror shall not at all be punished by the second death. He who has an ear to hear, let him hear.

When the Eternal Truth is brought to Light
The mysteries of the Kingdom of Heaven
Will be the beginning of the Spiritual
Renaissance, the coming of the Christ;
The Son of Man, within the Soul of Man.
My Soul rejoices exceedingly
That I have found the Christ whom I adore,
What to me is outward form of worship?
I sit at the sacred banquet, for those
Who have attained the kingdom of heaven.

THE LIVING DEAD

WHATEVER source a Man looks to for his Salvation and regards that source with fear, ignorance, devotion and submission, that source will sooner or later plot his capture and downfall. Religion has accomplished this even to Man destroying himself to carry out the prophetic utterances with which they save or destroy Mankind.

What matter it whether a Man be living or dead so far as his Soul is concerned? Some people think, and they have largely been mistaught this in the Religions of today, that after the body is laid aside their Soul, pure and great, goes to its Celestial home on high to mingle with other Souls equally as great, to hobnob with each other in joy and perfect bliss. But this cannot be the case when a Man begins to look seriously into the situation from the standpoint of clear reason and sound judgment. The Soul the body makes and unmakes, but that does not necessarily say that the Soul itself ever comes into its own due to the making and unmaking process, for the unmaking process is slow,

laborious, and wearisome and sometimes results in complete annihilation particularly when the individual has led a low, mean, vile and vicious life.

But now to this life and death problem. The one is as mysterious and edifying as the other, particularly so, when the regeneration has not set in, and a Man comes to view himself as Soul and not as body here and now on Earth.

After that Great Change takes place, he nevermore here nor hereafter will ever take on the form of another body, neither will he be unimbodied residing in a bodily form as many advanced Souls are today coming back to give Humanity the experience of their past lives.

He is Liberated Forevermore

From Earth plane existence. Now, after a Man makes the Great Change whilst living and breathing, has changed the polarity of his body from a flesh vibration to a pure Spirit vibration, he communicates with Spirits living and dead. For Death, mind you, is only the sequel to Life, and Life of Death, for whether with or without a body, your thoughts are the same only on a higher or lower level. Were Man able to have his body removed and yet remain conscious and this consciousness immediately transferred to another living body just vacated by the passing of the breath, he would be in the identical same position as the Man in the after-death state; he would use his faculties on a different plane but reflecting earth-plane conditions. Do you get me?

I say Life is Death embodied. All our past heroes, villains, great and small, are still living here amongst us in the thought realm, giving life and sustenance to individuals consciously and directing their thoughts and

actions. It is a cemetery in action, this so-called Life, and Spiritualists thoughtlessly wish to communicate with themselves when they ask communication with Summerland. But how foolish. Why not get into communication with Divine Life which knows neither time, space, place nor personality, but which is immersed solely in Divine attributes and potentialities and which only manifest in the ONE, the alone.

I have written numerous articles on this very theme Life and Death, but none so clearly as this one. Life is not Life without Death to animate it, and give it color and semblance. Therefore arrest your minds a moment and think of the author of this article, A Regenerate Soul who will never die, as he has never lived on this Earth plane as you are living today. He has never been born, consequently he shall never die, and pass into the beyond. But ever here, ever present, with no beginning and consequently no ending. He now becomes intelligible to your lower earth-bound minds.

—I AM THE ETERNAL—

Supposing we were thought projections and not mere bodies. Suppose whenever we thought of low, vile, mean things we immediately descended to the regions of the low, the vile and the mean. How soon would we place a guard at the door of our thought world and not allow a mean thought to enter in. How careful we would be to guard the entrance with Eternal Vigilance which is the price of Liberty from the earth-bound mind. And yet we today let our thoughts run like a panorama or dream, one giving life to the other, day and night, in waking life as in our vicious dreams. We associate with the high and the low and they in turn lift us up or pull us down.

But all this monkey business which constitutes our earth lives can be controlled, regulated and made amenable to our developed Spiritual Wills that they Shall Not Pass into our eminent domain to destroy us. We shall maintain our aloofness and aloneness in Spirit.

You see from the foregoing how imperative it is to live in the thought realm alone, here or in the Spiritual World and keep our houses clean of all personality. Only dwell in Spirit consciousness and your enemies become your friends, because you will not let them enter the door of World consciousness but force them to act like men admitted into the Holy Sanctum of a Regenerate Man who is One and alone above all Earth's manifestation.

I have become pure Spirit or else I could not write this out to myself in you, and now that I have given evidence of the alone to the alone, I have about completed my Earth's Life's Cycle, but must remain until the Alone comes forth from the Alone and attests my Divinity.

Yours in the Great Alone.

IT PAYS TO LOOK AHEAD

OR, if a man lives for this life only, eating, drinking and being merry, he will never get very far here or hereafter and may as well set himself down as a complete materialistic failure. What matter if a man gain the whole World and lose his own SOUL? Lose the instrument that should afford him real life after he slips off this material overcoat at the brink of the grave? How foolish men are to amass fortunes against the very injunction of their Lord and Christ and against the injunction of all the Ancients

who ever wrote or uttered anything on the Spiritual Life.

"Purge thyself of the dross of Wealth,
And with perfect Peace step into the Heavens
of Poverty,
And drink the Wine of Immortality
From the Fountain of Death!"

The great question is why seek Poverty, attain the state of non-ownership to drink the Wine of Immortality? This is the moot question of the day. Jesus said "It is as hard for a rich man to enter the Kingdom of Heaven as for a camel to pass through the eye of a needle." The reason, dear reader, is this. The body is so arranged that possessions have been the very life and elixir of the feeling of life, real life, happy life, through centuries and centuries of acquiring wealth, happiness, success, possessions and material wants and needs that make life worth while. As soon as you are out of money the vibration of ease and comfort disappear and you feel that you are broke in more ways than one. Food is scarce, clothes shabby and ragged, a feeling of want of self-reliance takes possession. You do not care to meet anyone, you feel isolated, forsaken and alone among men. You have been deserted somehow, and the feeling of "Oh, if I only had money to bring me back to life, I would give anything."

Now here is where I wish to draw a line of demarcation between the life you seek through monetary help and the life divine that grows brighter and brighter, clearer and clearer before your inner vision. You now come to realize for the first time that *inner purity is synonymous with the killing out of the desire for possessions.* Your mind now functions on too high a plane to even think of possessions from the body even down

to food, shelter and clothing. And here is where the Master Jesus' injunction falls now upon the inner ear. "Take no heed what ye shall eat or what ye shall drink, or wherewith ye shall be clothed. For the Father already knoweth what ye require." The Father knoweth that ye require nothing.

For the sacred inner consciousness is not now concerned with natural wants and necessities. The orbit of consciousness of the individual now extends to and beyond the confines of eternity. What now are material things, what now the World and its false values, with its poor imitation of the real, the physical body, now only fit for worms and ashes.

I would that ye come with me to the outer abode where mind and body part and the eternal consciousness comes into play. Why you would not now exchange places with all the men on Wall Street combined. You want no more because the you you have known for years has changed and altogether disappeared. You are Spirit now, changeless, omnipotent, omnipresent, imperishable, ever youthful Spirit, that was never born, and consequently can never die. You are the bright and morning Star. You are Lucifer the Angel of Light. You are the AUM of Eternal Ages, exempt from change, from sin exempt, the Seven Sounds in ONE.

— OM TAT - SAT —

THE INFALLIBLE MR. EINSTEIN!

THE AMERICAN PEOPLE are prone to worship heroes, masters and mathematicians we admit on their face value, but the American People are all the time thinking, getting at the bottom of things; for you can only fool them once,

after that, they have no time for your philosophy or your ethics, for their Americanism, their ponderable thought and power of insight into the true and the real forever protects them from any more charlatanism or prudery. We hope Mr. Einstein is received as a pure mathematician and not worshipped as an authority on matters beyond the limits of his mind.

Upon his arrival here in America a prominent newspaper man questioned him regarding his conception of GOD and the Universe. Of course his reply could only be couched in the mind of Einstein, who openly admits that beyond the limits of mind there is nothing more open to his vision. He has told the truth! We compliment him! All mathematicians are of the same ilk. They function on a three dimensional plane and have not yet risen to a four dimensional or intuitive plane of thought where Truth alone is real and reason or surmise of the mind falls back into the category of speculation.

Now, I have nothing but respect for this man Einstein as a Jew and a scientist, but like all scientists, he cannot rise above the limits of mind. His mind works fast, but not fast enough to catch up with intuition. His conception of GOD will prove what assertions I make. In reply to the questions:

1. "Do you recognize any continuity of will in the Universe? Is there a divine mind that makes the clockwork run?

Einstein: "I see a pattern. But my imagination cannot picture the maker of that pattern. I see the clock. I cannot envisage the clockmaker. The human mind is unable to conceive of the four dimensions. How can it conceive of a GOD, before whom a thousand years and a thousand dimensions are as one?"

Here we see Einstein's mind in total darkness. The darkness is to his mind real, as the three dimensional space is real. But enough of that. He sees only as far as his mind will carry him and then pins everything outside the realm of his own mind on GOD or Infinity! He has not risen any higher in the realm of contemporary thought than the one mind of the Jewish race who suppose a far off GOD envelops us all! Not very enlightening I assure you, coming from a man whom the World hails as a Super-mind and a Scientist who is to solve the problem of Infinity!

Compares Man to a Bedbug

Einstein:

"Imagine a bedbug completely flattened out living on the surface of such a globe. The bedbug may be gifted with analysis, he may study physics, he may even write a book. His universe will be two dimensional. He may even intellectually or mathematically conceive of a third dimension, but he cannot visualize it."

God Too Great for Einstein

"Man is in the same position as the unfortunate bedbug, except that he is three dimensional. Man can imagine a fourth dimension mathematically, but he cannot see it, he cannot visualize it, he cannot represent it physically. It exists only mathematically for him. The mind cannot grasp it. Einstein shrugged his shoulders."

I should think he would shrug his shoulders, for being caught in his own mind-trap is not very pleasant. Einstein's mind, for that is all there is to him, admits its own three-fold limitations, beyond that he says he cannot visualize, he cannot experience, he cannot physically experience. Why, pray tell, then, do these fool Americans make such a great fuss all over a three-dimensional bed-bug, and a Jewish one at that, because

he cannot bring to life something that he has not even the faintest conception of? Why, pray tell, do these fool Americans hail this World's Greatest Mathematician as an oracle on all subjects, (Religion included) when he tells them that GOD is utterably incomprehensible to us. Why, pray tell, do we worship a disciple of Mammon, (and a Jewish one at that) when we can with our own American 4th dimensional conception of Truth and Reality see through the whole man, as an advertising agency for the dumb, dead Churches, who sent him over here to overawe us with the puerilities of a scientific mind, which knows nothing else but what it can physically see through the poor limitations of its five physical senses?

I should think Americans at this late day and date would see through the whole scheme of this Jewish three-pointed Internationalist who comes for three things alone, and alone for these three things, he can alone see: Gold, which invites him. Honor, which he relishes for the Jewish mind alone, and Distinction as being able to swamp the American Mind with more Christian humbuggery that a Jew alone was Divine and his mind encompassed the Universe.

But Mr. Einstein must give us more proof of his originality lest we label his Relativity as only coming from a mind which is only great, when relative to the GOD whom he says is beyond his wildest imagination.

Bell boy, page an ordinary 100% American, for we have had enough to do with these so-called great men from abroad!

AMERICA AND ITS FUTURE

I DARESAY not one out of a hundred will know what I am speaking of when I assert that presently the Ghost (Holy Ghost) shall walk amongst us. Since my coming to the eastern coast of these United States I sense a strong undercurrent of the Spiritual awakening, not amongst the inhabitants of Philadelphia, for they are of the superficial variety as yet floating on the sensuous plane of existence immersed in dollar getting and commercialism, but an inner awakening that will presently make them all aware that thought now transcends action, they now live in a Spiritual laboratory where the combined thought atmosphere of the World is reduced to their own mental cosmography.

Now this is the beginning of the Spiritual Renaissance. The East has ever been virgin soil so to speak found by the Forefathers and their presence to the discerning is still here. Oh I sense in Philadelphia strongly the Eternal Light of the Ages seeping through human consciousness while these forms or souls are not as yet aware of their oneness, or Spiritual identity, I see plainly as ever the force of the Spirit trying to awaken them to that oneness and in preparation for the Grand Awakening which is presently to take place once I get DIVINE LIFE thoroughly circulated throughout the East. I came here mainly for the purpose of writing and it is an excellent spot to draw from the Spirit when the soil is so virgin, the People so dense and the possibilities of enlightening so great. My whole being now is vibrant and tense with the higher vibration which now seeks expression through my pen. I have the help of Spirits past and present to guide me. I have the com-

bined opposition of the Dark Forces as my resistance and the Winter Lightning so often spoken of here shall now become a realization.

Two years ago I came to Philadelphia and in sight of Independence Hall wrote my pamphlet "AMERICA FIRST," which has been scattered broadcast throughout the Nation. I felt when writing it that the Ancient Wisdom was not as yet dead and that like bell strokes the thought vibrations crossed my pen to give back to AMERICANS a taste of the LIBERATION program bequeathed to them by our Forefathers.

I have a prediction to make; when I leave the East this time the Philadelphians, New Yorkers and Washingtonians will know more about DIVINE LIFE than before I arrived. For I shall draw down from the "above" the Fire of Achilles and make them aware of their Spiritual identity, their oneness with the FATHER, GEORGE WASHINGTON, for I come to give a lesson in Nationalism, the Patriotic duty of every advanced Soul who sees in his own Country the hope of Salvation and the Redemption of the World!

THOMAS PAINE

THE IMMORTAL THOMAS PAINE, whose fame, honor and glory shows down the portals of the 20th Century from a dim past, is now to be eulogised here in America and throughout the whole world as never before since the undying principles of UNIVERSAL BROTHERHOOD have come into vogue and his transcendent insight into matters spiritual have come to be recognized as the words of a Master, and not of a miserable little atheist whom the Churches have dis-

owned and disgraced and who now stands head and shoulders above the ecclesiastical rabble as the only true friend the common People ever had and one who though long ago dead animates more hearts with the elixir of true Nationalism than all the orthodox churches combined.

More harm has been done to the name and fame of THOMAS PAINE by the Churches than all else. His gospel of Brotherly Love and Goodness in action savored too much of the principles of Christ himself for the churches to emulate, for had they recognized THOMAS PAINE on his true merits as a Christian gentleman in deed and in action their whole false philosophy of a GOD in the far off Heavens would have been shorn of its falsity and a living, dynamic Christ alive in the breast of PAINE supplant the false Christ teaching of the churches.

Toward the end of his life he advocated setting up an Ideal Government here on Earth divested of the parasites and barnacles that ever tend to obstruct the course of the Ship of State gliding into deep Spiritual waters and a Government of the People come into existence to supplant the False Government controlled by the clergy, the aristocrats and the men without Souls who live off the People, depriving them of their Spiritual birthright and reducing them to a vacuum. The People of America know that THOMAS PAINE was against false Religion but always for true AMERICANISM. His undying words "The World is my Country, to do good my religion," will ever prove an affront to Protestant and Catholic Churches alike for they will keep the World divided and against each other and to do evil is the heartfelt aim and purpose of the cause of their existence.

I cannot see for the life of me how true 100% AMERICANS will permit the Protestant and Catholics alike to obscure, defame, minimize and antagonize the presence of THOMAS PAINE in bronze and in marble in sight of the Capitol Dome as a Champion of the Rights of Man and the only true defender of American Principles when the Ecclesiastics of the World sought to aid England in the destruction of the Colonies and their autocratic form of Church Government in league with English rule dominate the minds of the People.

One thing more: THOMAS PAINE gave unto the People of America and the whole world the kernel of our Universality, "ALL MEN ARE CREATED FREE AND EQUAL," came direct from PAINE's pen and not as is duly accredited, Thomas Jefferson. PAINE spoke from the Spiritual level and with Abraham Lincoln formed the two sides of the triangle supplemented by a third side yet to come to light to bring the Christ into manifestation here on Earth again.

WASHINGTON AT MT. VERNON

UPON MY LAST VISIT to Washington, D. C., I, like every other patriotic American who loves the Country, the Flag and all it represents in the category of Civil Rights and Human Freedom, visited Washington's tomb at Mt. Vernon. Before leaving Washington I purchased a little American Flag and carrying it with me I boarded the bus for Mt. Vernon to spend the day in silent contemplation on things National and Divine in the human scheme of things.

The house, the trees, the yard, the graves, the pretty colonial dames who served tea in appropriate costumes of Washington's time, the old stage coach, the deserted

dairy house, the spinning shed, the barn, all were reminiscent of the days when WASHINGTON, true Commander of the American Army and Navy, won a victory that has made him Immortal in the eyes of Men.

Upon approaching the tomb some distance from the house which is surrounded by the graves and stones of Washington's immediate family, I found two old negroes on guard. Immediately the older one requested me to remove my hat in respect of the great gentleman in whose charge he had been placed and under whose beneficent protection and care only a faithful slave can share. My thoughts were dwelling on another subject. I handed the colored gentleman the little flag and kindly requested him to toss it through the iron bars which form the entrance to the tomb on to the marble crypt where Washington lay. He complied with my wishes and turning right about face saluted me. "The General says this whole battle for American Freedom has to be fought all over again." The tears trickled down my cheek as I was filled with emotion and gratitude that the General, the Greatest General that ever donned an American uniform was still alive and awake to the true situation which exists today in his beloved Country and though lying quiet and composed at Mt. Vernon is ready to don his sword and epaulets and again lead us to Victory over the British vampires who once held us in bondage and slavery and who are today doing their best to retrieve what Washington's genius wrested from them for all time.

WASHINGTON IS NOT DEAD:
WASHINGTON, GREAT WASHINGTON
STILL LIVES!
LET THE BRITISH COME ON!

NO COMPROMISE WITH EVIL

I WONDER how many people ever stop to think how a man of the type of Franklin D. Roosevelt can ever be our President. They fool themselves when they believe this to be true. He not only cannot function physically, but mentally and morally he is totally unbalanced, a gift of the billionaires, a darling of vicedom and a raucous dispatch of the Roman Catholic Church, he is as much fit to be President as I am to function at the head of the Zulus in Darkest Africa.

He has no qualifications whatever to make him a President other than an inflated egoism that imagines he is it. I believe if the truth were known his desire to be at Warm Springs continually is merely a makeshift to cover up his immediate need of a sanitarium instead of the White House, for braces are his only support to stand erect and were it not for braces he would be hobbling around on crutches and a wheel chair. Oh, time will tell if I am not voicing realities, not mere suppositions. He never has been able since infancy to tell the whole truth. His life has been a lie from start to finish and I vouch to say that were he placed before an open jury he would bribe the Judge to get past an equitable justice in his own favor. He has no use for Truth. I wish you to know that his dependency upon speeches and matter supposed to come from his own pen are all machine made. He never had any policies of his own, he is an ape in more ways than name. His whole career as Governor of New York has been a farce and a roaring romance with Catholic Tammany Hall, the most corrupt organization in this world. He is a true helicopter of the Wig Wam, a champion of Evil and a tool in the hands of those whose bidding

he must obey in order that they make him our President.

Pierre du Pont in his sanest moments could never imagine Roosevelt President were it not that Roosevelt will jump to the crack of his whip which he wields at Washington, D. C., as well as at Wilmington, Delaware. It is a pity and a shame that a man of the Roosevelt type should ever have been placed before Convention and make the People believe that he came unheralded by the billionaires, for this much I will give out, something that Pierre du Pont himself does not know. Had it not been for DIVINE LIFE'S Editor at the Chicago Convention, AL SMITH, Pierre du Pont's first love and first choice, would have been the candidate chosen by that august fraternity, but the forces of Righteousness were too strong for them to put AL SMITH through, so FRANKLIN D. ROOSEVELT was the compromise with Evil that led Pierre du Pont to trot him out before the throne.

Now watch the fun of the whole house of cards falling to the ground, the work of Pierre du Pont's Convention undone and a true Representative of the People drive the du Pont family, the ROYAL FAMILY OF AMERICA, from our shores.

Los Angeles, Calif., February 4, 1933.

My Dear Mr. Richeimer:

I have seen your magazine at the Public Library here but if I had the money I'd subscribe to it anyway, but I am one of the twelve million. I love the flow of your language and your righteous indignation against false religions and the forces of evil.

There are only two preachers here that I know of that dare to speak the truth. One is Martin Luther Thomas of the newly formed Metropolitan Federated Church,

and Bob Shuler of the Trinity Methodist Church. Thomas has been put out of several Presbyterian Churches here because of his exposures of corruption in Church and State. He said tonight in a sermon that the Church of Rome brought pressure to bear when he located his Church in one section of the city and made him move; but the Presbyterian Church was no better for it has also hounded him from place to place in Los Angeles. He said Protestantism is so weak and corrupt that if that Church exists at all in ten years it will be because the National Government has taken it over as in England. He also looks for a Dictatorship in this Country soon. As for Shuler, the Government has denied him the use of his own radio because of his thrusts at the International bankers and other forces of evil—thus the Government goes squarely against the Constitution; and what makes it worse is that the Supreme Court absolutely refused to review his case when he took it to Washington. Dear Sir:

Spirit-Birth, page 51 February DIVINE LIFE is very satisfactory. All our troubles come through climate, sex, ignorance and dishonesty. Most likely we should say Ignorance is in dishonesty, but we have many blessed believers, who have been told by the Church to BELIEVE, and there can be no Spirit-birth that way, nor through spiritualistic seances. A seance is a place where a negative attitude is assumed and the hocus pocus starts.

The Churches have Rome's Devilish Bible—but even it has a few good verses in it—such as Matthew 10.8 and First Thess. 5:21-22, but the churches could not adopt those verses and keep their creeds and their hypocrisy.

The putting of the words "Under God" into Lincoln's Gettysburg Address shows how far Believe, Obey and Pay idiots will go to foster their fake.

Grass is a million times as important as brass. This has not been a Government yet—just political special privileges. If the Supreme Courts can pass on statutes to decide their constitutionality they should do it before the President or Governor signs them—not if some litigant brings it up. Our courts are a damnable farce—as are the lawyers also.

Sunday morning I dreamed I saw a cornstalk bell 40 feet across and 100 feet high—300 feet up in the air. Being a Daniel—I says the CORN BELT is going to give us a new Liberty Bell, and Roosevelt wants to step lively—and on our banking system too.

Please send the February Divine Life to the following addresses: Yours,

E. R. A.

Shreveport, Louisiana,

Dear Friend:

This seems an appropriate day—Father Abraham's Day—to exert in order to have time to pen you a few lines. . . . On receipt of the magazines Nov.-Dec. '32 and Jan., '33, I felt relieved and thankful that you were again in your fighting clothes to renew the New Age Battle. Yes I do realize that the worst is yet to come. Within my heart thinking, hoping and praying that our

President Founder's — CELESTIA ROOT LANG,— (The American Celestial Root of the New Age Theosophy) Legacy to the World — "SON OF MAN" and her photograph alongside, may be hung at the World's Fair, encased in "wrought gold," together with the Seal of the United States in a worthy setting, also, glad to have another photogravure of our Founder President,— Dear Beloved!

The enclosed circulars received from one N. W. Lermond, Florida Labor Brotherhood, by way of reply. I mailed him "TWO OF A KIND"—mainly instrumental in Hoover's defeat. "The Independent Peoples Party of America," and its "Principles" will awaken him if he be a seeker of Justice, Right and Equity, also suggested he look up the Reverse Side of the Great Seal of The United States regarding America's Destiny, to brook no delay enrolling in The Grand Union—"THE BROTHERHOOD OF MAN." Also a publication of Dr. Wm. Ed. Zeuch, Rich Mountain, Arkansas by way of reply to his,—The Passing of Americanism,— I mailed him my only copy of "AMERICA FIRST." My 1910 Dream Vision the BIG occupant of ONE CHAIR—one that was, is not, yet is, has faded out, leaving not a trace! The other that—yet is not—is fast growing dim! Central Power looming Clear, Bright, High!

Oh, I cannot express my appreciation written or oral of DIVINE LIFE January and February 1933 issues. *I wept for joy* to know that ONE human had arisen, Conquering and to Conquer, giving forth such clear clarion blasts through this extraordinary Trumpet of Truth,—DIVINE LIFE,—Heralding the NEW AGE! And with what clearness and simplicity DIVINE LIFE directs the Truth seeker along The Path toward at-

tainment, pointing out and warning of the myriads of Old Age Deceptions, Snares and Pitfalls which beset him on every side and at every turn; but time is now to "fear them not for all that is hidden shall be revealed."! 'Twas given to the early laborers in His vineyard to clear the ground, uproot and destroy all poisonous growths for all who choose to heed the call to enter at the *eleventh hour*—the pay being the symbolic penny.—LIBERATION from that triple-crowned Old Age Demon FEAR!!! *"Let no one dare"*—(from the Pope's encyclical broadcast). Now that retribution—the cyclic law of sowing and reaping—is due to return, that Old Age Octupus, who would deceive the Elect were it possible, will be destroyed forever by the monstrous accumulations of his own creations!

AGAIN — HAIL TO THE CONQUEROR!
OH LORD, HOW LONG
INDEED, 'TIS AT THY VERY DOOR!
OM, — THROUGH THE DIVINE LIFE,—
TO VICTORY IN HIS NAME! ! !
— MARY GAMBLE.

Dear Mr. Richeimer:

Your letter just came. Glad to know everything going nicely. Well, the banks in Michigan closed for eight days to save the People, the crooks in one bank got away with the money. I tell you the affair is not settled, the People wild, the Governor of Michigan a crook, he has formed a Liquor Board of Roman Catholics and one woman will get $5,000 a year. You should hear the People yell. The strike not settled, they are just waiting for warm weather and watch things fly right and left. Our schools on the bum, Rome trying to get the taxes for her schools and the People up in

arms. I am enclosing clipping to go with the other one I sent, trust it will be in time for print. Amuses me if they think they can pray for Mrs. Roosevelt's enlightenment—she has the face and lips of an African woman, a very young soul and a woman that spends her time playing with dogs and babbling over the radio about cold cream, she is not awake spiritually so how can she judge Humanity or help their progress along higher lines of God given powers. The common People know more than she does but know enough not to blat all the time.

Lloyd Clark here helping Garner hold revival meetings. Mother went down last night the same old tale —the Roman Church—but gives the People no way out, he never tried to form a Third Party or tells them to find the God within their own souls; he still has JESUS to die for them and feels he is fighting the People's battles. Not mine, I have warred on Rome for years. No thanks to anyone by my own experiences from past living and abuse through the cursed system. The man or woman who does not have the Love of God strong enough in their hearts to help Humanity is only doing it for show. I never want anything I can't share with my fellowman from the material up, and moreso the spiritual.

The Clipping enclosed:

Texas W.C.T.U. Prays for Mrs. Roosevelt

AUSTIN, Tex., Feb. 10—(U.P.)—Executives of the Texas Women's Christian Temperance Union, meeting here Thursday, criticised Mrs. Franklin D. Roose-

velt for her recent declaration regarding prohibition and youth. "We deeply regret the unjust criticism of youth by the First Lady of the Land, Mrs. Franklin D. Roosevelt. Let us have special prayer for enlightenment," a bulletin issued to the organization, members said.

Gentlemen:
(Attention: Mr. Harry Richeimer, Editor & Publisher.)

Gee what a revelation it was to me when this afternoon in the Cossitt Library I read your articles in the February issue of "DIVINE LIFE," the first of the magazine I have seen. Your views are quite in accord with mine—hence, my interest and our mutual harmony.

Like millions of others, at present, I am financially out of funds—but, when possible I will be a contributor to you and your cause. In the meanwhile may I ask that you send me all of the sample or free reading matter you can and will send. I personally will enjoy reading it and it will also be my pleasure to pass it on to others.

Doubtless, "AMERICA FIRST," "SHALL FOREIGNISM RULE AMERICA?" "WHY THE 18TH AMENDMENT HAS NOT BEEN ENFORCED," "THE REVERSE SIDE OF THE SEAL OF THE U. S." are all very interesting.

Most sincerely yours,

W. E. W.

Dear Sir:

My interest in the Forum is just as it ever was—not so much for enlightenment as to know just what the imp is up to now. This issue you sent me bears me out that you are not and never have been sincere with the People of America and the ax you have to grind is not so much to stir up Catholics as to appease their Southern desires now that you have disclosed the fact Southerners own most of the stock. It is for dollars and power that your paper is published and not so much for Home and Country! It is a pity Masonry is so misrepresented by you!

Again an insult to the intelligence of the American People to carry an ad in the Forum "THE GREAT PYRAMID" linking up the Reverse of the Great Seal of the U. S. A. with Jesus Christ and Orthodox Christianity, the seal devised by THOMAS PAINE, whom you dub an atheist. This again proves my contention that you are and not and never were honest with the American People but hide behind churches and man-made institutions for their patronage and benefits and ever an enemy to Truth, Enlightenment and Progress, the prerogatives of every true American Citizen.

You know Vance, I predicted "*Hoover would prove your finish.* HE HAS! And now just a bit more on the "CONSTITUTION PRESERVERS," with Gilbert Nations and yourself in the background and we shall have a booby-show that even AL SMITH could not hope to emulate!

HARRY E. RICHEIMER,
100% AMERICAN & YANKEE.

Dear Mr. Richeimer:

And this in the Land of Liberty, — Liberty for criminals and gangsters, liberty to starve, and liberty for liars, and liberty for fiends,—but no liberty for Truth! The Pope (papa) gave out a message the other day, denouncing "Socialism, Communism, and exaggerated Nationalism." That ought to be a signal for everyone who is in sympathy with patriotic movements, with Socialists and with Communists to join their forces, forget their superficial differences for a time at least and fight and overcome the common enemy. The quarrels, the quibblers, the petty differences of opinion existing among all people and groups of peoples, organizations, clubs, lodges, churches, etc., which otherwise want to fight and destroy ROME, are encouraged indirectly by papists in various guises, and keep them from the very unity with which alone they can destroy the papacy.

I have an idea it were well if there could be a tacit understanding among all people who are opposed to ROME no matter what their beliefs, creeds, or lines of business that would lead to a concentrated attack from all directions, on the POPE and his infernal machine "THE CHURCH"! The weapons of ridicule, of exposure, of the right kind of prayer, even ought to be effective in dealing with the dumb friends. They cannot argue, cannot answer, so like cornered wild beasts they resort to the most brutal violence. Reason they cannot use, for they have no reason for being. If neighbor were not suspicious of neighbor, afraid of investments in concerns run by Catholics, afraid of their jobs, afraid of financial loss, afraid of loss of reputation through Catholic defamation, afraid of attacks by them, etc., the whole miserable system of fakery could

not last a week because of the concentrated bombardment they could make on it.

The priests and nuns spend night and day in "prayer" for their "Church" and against all those who oppose them even slightly. This prayer includes "curses" similar to the curses practiced by witches and priests of Ancient Egypt and other nations of antiquity and these "curses" or procedures of evil thinking (I call it) are telepathically directed to all those who disagree with their Church, and includes the sending or attempted sending of sickness, accidents, financial losses, sorrows, and troubles of every kind to the leaders of Movements they fear and dislike. It is easy to understand why Martin Luther concealed the fact of being ill from the "Church." He knew they would try to make a bad matter worse if they possibly could! Every Roman Catholic is a spy and enters into homes of those who disagree with them whenever possible, in order to find out the financial, mental or health conditions in the home so entered, then they carry information to the priests in the confessional and otherwise and the priests, armed with the facts given them "pray" for their victims, yes, pray them to H——. The POPE and his underlings and slaves forget, though if they ever knew that the Universal law of Retribution is not asleep, and that the practitioners of the darkness will have their reward maybe right here and now, sooner or later, and the punishment will fit the crime to a nicety! Evil destroys itself, it appears, by causing the evil-doer so much suffering that he will turn with loathing from his crime, and criminal thoughts.

Duluth is not as bad as Chicago, of course, but it is bad enough in spots, and has been worse. Various anti-Catholic societies here, that have been working un-

der different names have been broken up by Catholics entering them under pretense of being staunch Protestants, taking oaths, etc., and then causing all kinds of trouble, also reporting the work of such secret societies to the priests. Quite the usual tricks. Also, the Catholics are trying their best and in some cases have succeeded in getting into important positions here and then undermining Protestant employees and causing the employment of Catholics. They do love to get on the telephone systems! What do they want to overhear? The Power and Light department here has a Catholic in authority, also the printers' union, and they are spreading themselves in the water and light departments, in the important dairy industries, and of course on our newspaper, the Herald Tribune and in print shops. In the Minnesota Steel Plant which recently closed down, Catholics would find employment ahead of Protestants by having letters of recommendation or references from their priests.

The real underlying secret of the power of Catholicism (as you know) is hypnotism alias mental suggestion, alias Black Art. They couldn't last a year, perhaps, without that power, which they expertly handle and keep the masses of ignorant, or unprotected (mentally unprotected) people, of all religious beliefs, in a state of lethargy and receptivity to their mental manipulations. Since this is their main weapon, they must be fought on the mental plane as well, and all people should know how to protect themselves mentally against them, and it seems to me that instances of their occult practices should be exposed in magazines!

Sincerely,

Miss E. S.

Dear Mr. Richeimer:

Have a note and a book from you entitled "BEHOLD THE CHRIST WITHIN." It was very very kind of you to send me that beautiful epic, and I cannot thank you enough. It is very helpful. Am going to study it thoroughly and then hand it to neighbors and friends who are ready for anything of its sort. There are bits from this "BEHOLD THE CHRIST WITHIN" epic in the DIVINE LIFE MAGAZINE, I have noticed. There is something new in this poem every time one reads it, and it is something I have heard about before, and have wanted. I know it must be difficult to carry over from the Sanscrit into English the delicate shades of meaning in many words, but this work seems to me to be a great success, even in that respect.

Was a little confused as to the definitions of God as the real, or Higher Self, as to soul, spirit and the status of the gross or physical body with its physical or pseudo-life. I have been accustomed to believe that the real man, the spiritual man of God's creating, is the image and likeness mentioned in the Bible. It seems to me there would be an eternal separation, yet, one-ness, existing between this real or spiritual or perfect self, and the Eternal Spirit, Mind, or Power, etc., which is God.

It seems in the epic, that the Soul, or Higher Self or "Great One" is regarded as God. It does not matter, though as if God is everywhere, all-powerful, even where the evil seems to be, then God is in and through the Highest Self too, so then in a sense, at least metaphysically, Self at its Best and Highest, might be considered as God. Also, I had the idea that the physical body is just a product of heredity,—reaching far back as the

animal and even mineral worlds,—making a mess of good and evil inherited tendencies for one to struggle with. The body being only a tool used here on the physical plane, is no part of the Ego, from my viewpoint, but its heritage from lower conditions might and does cause trouble, mischief, sorrow to the weakwilled,—unless one depends on the Highest. Reincarnation does seem very probable, undoubtedly it is a fact. Even though it were not true, or true to a limited extent, it does not change the fact that one's goal is spiritual perfection, where the physical is forever discarded. That's "Heaven" enough!

Thanking you, I am

Sincerely, Miss E. S.

THE INDEPENDENT THEOSOPHICAL SOCIETY OF AMERICA

Founded, December 20, 1914.

—CELESTIA ROOT LANG—

FOR the purpose of reaching those who are Theosophists but not members of any organized Society. The Independent Theosophical Society of America, has from its inception, been entirely independent of any of the organized Theosophical Societies.

Those who have come into the higher Theosophy, through self-evolution, have no feeling nor desire to cling to the old traditions and rituals, and those who do so cling, the umbilical chord which binds them, is not yet severed, and they had better remain where they are.

Where two or three are gathered together in the name of Theosophy, who may choose to form an—**Independent Theosophical Society of America**—and become Charter Members, may make application to the President, Harry E. Richeimer, for charter.

All branches so chartered are autonomous.

Dues for one year's membership in the Society are $2.00 which includes one year's subscription to **Divine Life**, the Official Organ.

Application for membership in—**The Independent Theosophical Society of America**—all members being Members-at-Large, may be made to **Harry E. Richeimer, care Divine Life Press, P. O. Box No. 1010, Chicago, Ill.**
